

The band Riiza has uninhibited drumming, cabalistic bass, insurgent guitar, and a voice that soars with perfect pitch. Hailing from Northern Westchester, they cut their teeth on the classics, especially Led Zeppelin. They have supremely crafted originals, powerful arrangements, and tons of swagger. Not bad for a bunch of guys, half of whom are still in high school.

Ari Perakis- Vocals
Justin Giacchetto- Guitar
Sean LeVeille- Drums
Wilson Yarnall- Bass
